Year 3 WEMG Course

The writing module will delve into the most effective methods for organizing writing structure, with an emphasis on cultivating critical thinking and reasoning abilities. The English component will concentrate on reading proficiency, offering opportunities for practicing reading comprehension and answering multiple-choice questions. Mathematics lessons will provide students with a comprehensive understanding of mathematical theories, principles, and formulas to tackle problems with confidence. The general ability segment will challenge students with a range of stimulating and practical problem-solving and critical thinking exercises.
