Year 4 WEMG Course

The Year 4 WEMG course is revamping its curriculum with new modules and is set to demand a substantial weekly commitment from students.

The writing module focuses on developing critical thinking and reasoning skills and teaches students the most effective methods for organising writing structure. English lessons concentrate on honing reading skills and practicing comprehension and answering multiple-choice questions. Mathematics lessons are crucial for students to master mathematical theories, principles, and formulas, and to be able to solve problems with ease. The general ability lesson offers a range of practical, challenging, and mentally stimulating questions to help students improve their problem-solving and critical thinking skills. Students can choose from one of the following WEMG courses that best suits their needs:

Year 4 Term 2 Standard WEMG – Timetable & Class Location
