Year 4 Term 3 course is scheduled to begin on **Saturday, 11th July**.

The structure of Term 3 courses is designed to meet the academic standards required for students aiming to secure placement in the placement test. Besides the benefit of advancing ahead of their peers, there will be a greater emphasis on enhancing students' writing, G.A., comprehension, and mathematical reasoning skills.

Year 4 WEMG Course

The Year 4 WEMG program is undergoing a curriculum revamp that involves the inclusion of new modules and a significant increase in weekly commitment for students. The revised curriculum features a G.A. component that prepares students for school placement tests. The writing module is focused on the development of critical thinking and reasoning skills, as well as teaching effective writing organisation methods. English lessons concentrate on enhancing reading skills, comprehension, and the ability to answer multiple-choice questions. In mathematics sessions, students will master mathematical theories, principles, and formulas to solve problems with ease. The G.A. lesson will challenge students with a range of practical and mentally stimulating questions to improve their problem-solving and critical thinking skills.
