Year 6 PLUS Course

Year 6 PLUS course will commence on **Friday, 9th October 2026**. This will require a significant commitment of 3.75 hours module work each week in Writing, English, Maths and General Ability due to the nature of the advanced curriculum. The course aims to help students to build a solid foundation for their independent school scholarship tests.

- The writing module teaches students the most efficient ways in organising writing structure with a focus on developing critical thinking and reasoning skills.
- English lesson will focus on reading skills and practising reading comprehension and multiple-choice questions.
- Mathematics lessons are essential for students to thoroughly understand mathematical theories, principles and formulas to solve problems.
- General Ability lessons will cover a variety of practical, challenging and mind-stimulating questions including verbal and non-verbal reasoning.
